**STANDING HEARING OFFICER DIRECTIVE**

**DOCKET NO. 2014-89-E**

**JUNE 12, 2014**

**Standing Hearing Officer: David Butler**

**DOCKET DESCRIPTION:**

**Application of Duke Energy Progress, Incorporated for Approval of Costs and Incentives for Demand-Side Management and Energy Efficiency Programs, Rider DSM/EE-6**

**MATTER UNDER CONSIDERATION:**

**Request for delay in filing of tariff**

**STANDING HEARING OFFICER'S ACTION:**

**Request granted. Duke Energy Carolinas, LLC requests a delay in e-filing its tariff pursuant to Order No. 2014-481, which stated that the revised tariff should be e-filed within ten (10) days of receipt of the Order. Duke notes that it will soon be receiving rate information from its fuel filing in Docket No. 2014-1-E. Since new rates from this docket and Docket No. 2014-1-E would both be effective on July 1, 2014, the Company wishes to file one set of tariffs reflecting both rate changes. This is consistent with judicial economy, and the request is granted. Duke may file one set of tariffs encompassing both rate changes on or before July 1, 2014**
